CHARLESTINE THRIFT had a biopsy on her breast and it showed a low grade of cancer. She will see a surgeon tomorrow to decide what to do. Keep her in your prayers.

RACHEL PYLE'S surgeon has given her an "all clear" on her cancer. She has tolerated the chemo pretty well and has been able to return to work after about a week. Her last treatment was Wednesday. Thank you for your prayers on her behalf. We are convinced that they have allowed this success. Thank you for the many cards, calls, and letters. They have truly raised her spirit! Martin Pyle.

RILEY HARRELL, a friend of Joe Widner, is a 12 year old boy who has had Duchene Muscular Dystrophy for a long time. He is battling with pneumonia. He is having a rough time with a medicine that is supposed to break up the congestion in his lungs and it is working, but slowly. He is in Knoxville at Children's Hospital in the ICU. A feeding tube may have to be inserted. Riley is not doing very well and has a long way to go. Please continue to lift Riley and his dad Greg up in your prayers.

TYLER JOHNSON had a sonogram on his kidneys and will have the results this week. Pray for good results.

TAMMY, a niece of a co-worker of Thomas Haynes will have a biopsy on January 13. She lost her husband last summer in a construction cave-in and is raising their three young children. She is facing very trying times as the need for a biopsy adds to concerns. Please pray for good health and continued strength and faith in God that He will be with her all the way.

REMEMBER CAROLYN MYNATT as she recovers from her revision surgery on her hip.
